Mr. Edward Schumacher
President/GM
WTUZ Radio Inc.
2424 East High Avenue
New Philadelphia, OH 44663

Dear Mr. Schumacher,

First, let me thank you for providing a superb radio station for our area. WTUZ 99.9 FM is listened to by thousands in our area, including me, and your music and service is second to none. Everywhere I go, 99.9 is on.

I also greatly appreciate your station's support for our community, particularly, your reporter's attending our City Council meetings. I know with the price of gasoline, wages, etc., it is very costly for your station and other media companies to continue to be present at these meetings, but WTUZ is always present when others have stopped attending. This is a testament to your wonderful support and concern for not only our community of Uhrichsville, but for the listeners of your entire service area. I have people always saying to me "heard you on 'TUZ' about the Council meeting last night", and they'll comment on the issues. Citizens of our area need to hear what is going on in our local governments, and your superb team provides that information.

Again, many thanks for continuing to bring quality radio service to our entire area and for supporting our City Council meetings and me so well. Please pass on my thanks to your entire team for their outstanding work.

Sincerely,

Rick Rieger
Mayor
